# LOG CABINS FARM & LEISURE

*Be it a shop, tea room  
or lodge, Finlog  
has the solution.*

# WELCOME TO FINLOG

## From Chalets to .....

**FINLOG** is a family run business and as such is able to provide valuable personal assistance to our clients from the design stage to the construction. We specialise in providing you with genuine log buildings made in our own factory in Finland, manufacturing our log buildings to the clients individual requirements, whether needed to comply with full building regulations, building warrants or BS3632 for mobile homes. Finlog has designed and built schools, farm shops, barns, visitor centres, indoor swimming pools to name but a few.

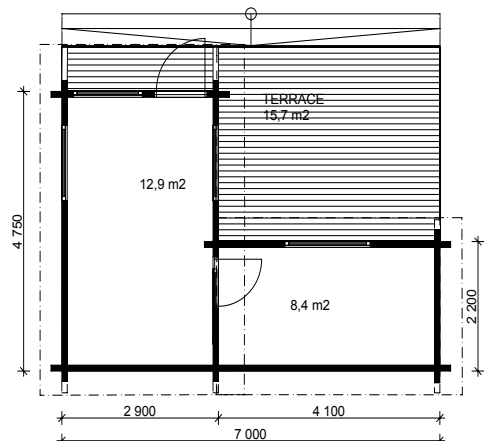

Finlog are the only UK company to have their own factory in Finland, this means no middle man, just direct from the factory prices, so more of what you pay goes into the building not commission for middle men or agents.

This Finlog brochure shows a small example of what Finlog can do, please contact your nearest Finlog office to take your enquiry further.

Many thanks,  
Rob Sheridan

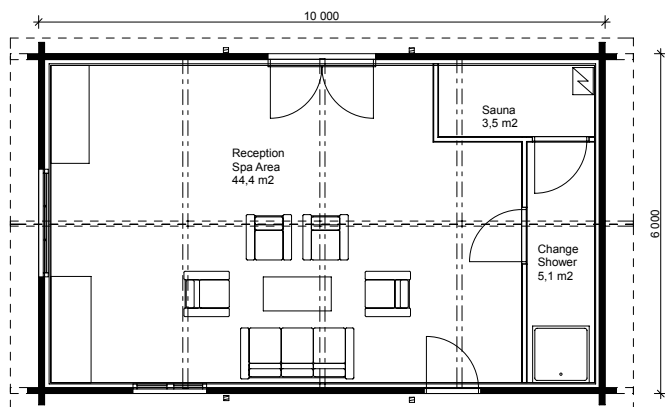

### FARM OFFICE
